

As a Yoga Garden SF member, you can bring a guest for free if it's their first time in the studio!

Please ask your friend to complete the following steps below:

1. Create an account at www.YogaGardenSF.com - Just click over to **About Yoga Garden** in the menu and choose **My Account**.
2. Proceed to making a **Single Class Purchase**.
3. Select **Member Guest Pass**.
4. Check out the class using the promo code: **beourguest**

Please remember that Members must accompany their guests to class. This code may only be used once for the guests first-time at Yoga Garden SF.

10-Class Pass holders and ClassPass students do not have access to this membership benefit as they are not members at Yoga Garden SF. See you on the mat!
